## MEMBERSHIP

*Won't you join us? Your membership will make a difference!*

The Friends of the BPL is a 501c3 nonprofit serving the greater Belen area. Our mission is to support and promote the Belen Public Library and community literacy.

Your contribution will enable a host of programs, resources, and initiatives at the Belen Public Library. Plus, it will allow the Friends to fund local teachers' classroom projects, books for the Belen Public Health Office's young patients, college scholarships, literacy programs at Head Start and the Valencia County Literacy Council, and the Books on Becker bookstore where every child, teen, and teacher can select two free books on each visit.
